

## NEW RENAULT MASTER FACTSHEET

**New Master: what Renault says:** The three key alterations with the New Master range from the outset are the cheaper pricing for front-wheel drive versions, the launch of a complete rear-wheel drive range up to 4.5 tonne and prominent, assertive front end.

**Interior: what Renault says:** On the inside, the cab offers the market's most comprehensive range of practical stowage solutions. Shaped around the specific requirements of business users and the equipment they need for their everyday work, these solutions are both user-friendly and perfectly integrated. New Master aims to become the segment's benchmark for comfort thanks to a complete reappraisal of the driving position and controls, enhanced visibility and the availability of comfort-enhancing features normally associated with passenger cars.

**Load area: what Renault says:** Thanks to a choice of four lengths and three heights, the New Master range offers ten different carrying capacities, ranging from 8m<sup>3</sup> to 17m<sup>3</sup>.

Load volume (m <sup>3</sup> )	FWD			RWD	
	L1 - SWB	L2 - MWB	L3 - LWB	L3 - MWB + extended overhang	L4 - LWB + extended overhang
H1 - low roof	8	n/a	n/a	n/a	n/a
H2 - medium roof	9	10.8	13	12.4	14.9
H3 - high roof	n/a	12.3	14.8	14.2	17
